Hydrographic Surveying: Methods, Tables and Forms of Notes (Classic Reprint) (Paperback)

By Samuel Hill Lea

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Hydrographic Surveying: Methods, Tables and Forms of Notes In offering this Manual to the public, the author ventures to hope that the information contained herein may be useful to engineering students and to the younger members of the profession as well as to those engineers of larger experience who are not thoroughly familiar with the minor details of Hydrographic Surveying. The author is conscious of the fact that much of the matter contained in the manual is elementary and that the hydraulic formulas are stated as nearly as practicable in their simplest forms. While this is true, it is believed that the subject under consideration, hydrographic surveying, does not require profound discussion, and that plain, direct treatment of the subject matter will be productive of the best results. No attempt has been made to introduce complicated mathematical formulas into the text since it is believed that ultra refinement in a hydraulic formula for discharge would be out of place in view of the impossibility of making ordinary field measurements with microscopic exactness. It has not...
